RUMORS THAT HOUSE IS DEAD ARE UNCONFIRMED

Reports Spread in New York Today That Col. E. M. House Had Died in Paris.

New York, January 14.—There are unconfirmed rumors that Colonel E. M. House, the President's personal confidant and one of the United States peace delegates, has died in Paris, where it is known he has been ill. There are no official or press reports, the rumor coming in the form of private cablegrams.

The New York Evening Telegram prints the following today: "Private cable dispatches received in New York early today are said to have announced the death of Colonel E. M. House of the American Peace Commission in Paris. It is impossible to verify these reports, but it has been known that Col. House has been seriously ill since he was stricken with influenza shortly after his arrival in Europe."

Dispatches from Washington say that "The White House and State Department today had received no word of the rumored death of Col. House, and the report from New York was received with the greatest reserve. It was stated that no word indicating that Col. House was even critically ill had reached the White House, executive offices, either by cable or radio."

MISS EDNA SPARKS DEAD

Miss Edna Sparks, aged 14 years, died at the home of her parents near Minerva Monday evening after a short illness. Funeral will be held from the home Wednesday at 1 p. m. and burial will be made at Epworth, Lewis county.

Mr. Amil Fussenecker, of near Ripley, was on the Maysville tobacco market today. Mr. Fussenecker is one of the champion tobacco growers of Brown county and his crop is always one of the highest sold on the Maysville market. At the present price there is no telling what his crop will bring this year.

Attractive new gold signs have been placed on the windows at Thomas L. Ewan & Company's new office and the new Market street entrance of the Farmers & Traders Bank.

L. C. REYNOLDS LOCATES IN CITY OF LOUISVILLE

Popular Insurance Man Who Was Engaged in Y. M. C. A. Work During the War, Will Engage in Business in Louisville.

It has been learned that Mr. Luther C. Reynolds, former Assistant Superintendent of the Metropolitan Life Insurance Company here, will not return to this city to engage in business but will permanently locate in the city of Louisville.

Mr. Reynolds, who has been in the Y. M. C. A. army camp work at Camp Zachary Taylor during the war, has become connected with the Louisville Seed Company and his family will join him there about the first of February. Mr. Reynolds was a progressive young business man always taking an interest in all civic improvements and the city of Maysville loses another live wire in his determining to remain in Louisville. During his stay of several years in Maysville, he and his splendid family have made many friends who will be very sorry to hear that they are leaving Maysville but who join in wishing him much success in his new business venture.

Mr. Robert B. Willocks after spending Sunday here with home folks, returned to Grayson, Ky., this morning where he is employed as bookkeeper for the R. J. Reynolds Tobacco Co.

A. F. Stahl attended a trustee's meeting of the Kentucky Christian Missionary Society in Lexington on Monday.

Lieut. Hugh Power, of the U. S. Aviation Corps, is at home to spend a few days with his mother, Mrs. W. H. Power, of West Second street.

Mr. Harry Clark has resigned as general manager of the E. L. Manchester Produce Co.

Health and Happiness

Women of today seem to listen to every call of duty except the supreme one that tells them to guard their health. Home duties, church duties, war activities, and the hundred-and-one calls for charitable enterprises soon lead women to overdo. Nervousness, headaches, backaches and female troubles are the inevitable result.

Philadelphia, Pa.—"I was very weak, always tired, my back ached, and I felt sickly most of the time. I went to a doctor and he said I had nervous indigestion, which, added to my weak condition, kept me worrying most of the time—and he said if I could not stop that, I could not get well. I heard so much about Lydia E. Pinkham's Vegetable Compound my husband wanted me to try it. I took it for a week and felt a little better. I kept it up for three months, and I feel fine and can eat anything now without distress or nervousness. Health and happiness? Yes, I have both now."—Mrs. J. Worrill, 843 North Taylor Street, Philadelphia, Pa.

The majority of women nowadays overdo, there are so many demands upon their time and strength; the result is invariably a weakened, run-down nervous condition with headaches, backache, irritability and depression—and soon more serious ailments develop. Avoid them by taking in time

Another assembly dance will be given at Neptune Hall on next Friday evening and many out-of-town visitors are expected.

FISCAL COURT POSTPONES ACTION ON JAIL IMPROVEMENT

Time Session of County Commissioners Held at Court House Today—Nothing of Importance Done Except to Allow Claims.

It was expected that today's session of the County Commissioners would be a rather lively one because of the recent recommendations of the Mason County Grand Jury in regard to certain changes and improvements at the county jail but because of the inability of one of the commissioners to attend today's meeting action on the Grand Jury's recommendations was postponed until the next meeting.

Besides hearing the reports of the County Treasurer and the County Road Engineers, the commissioners did nothing but to allow the usual list of claims against the county.

It is understood that the commissioners are in favor of certain extensive improvements at the county jail which would include the installation of a padded cell for the confinement of insane and the improvement of the hospital ward at the institution.
